

## SeedCycle Donation Form

Thank you for collecting and donating these **native tree/shrub seeds** to Reforest London's Seed Hub Program. Many types of seeds need special handling to preserve their viability, so getting them to us as soon as possible is **very important** and greatly appreciated.

It is **essential** when collecting on private property to have the land owner's permission to collect. Please do not collect from Parks, ESA's Conservation Areas, or City of London property without written consent. If you know of a special area you think might be important for seed collections. Please let us know in advance and we will work with our community partners to evaluate the site.

**Fill out this form and email it to [seedhub@reforestlondon.ca](mailto:seedhub@reforestlondon.ca) with the subject line "SeedCycle Donation". Please attach and label any photos of the collected tree to the same email.**

### Contact Information:

Name: \_\_\_\_\_

Phone: \_\_\_\_\_

Email: \_\_\_\_\_

May we follow up with you with any further questions? Yes  No

If Yes, what is your preferred means of contact? Phone  Text Message  E-mail

### Collection Details:

**Seed Donation 1:** Type of parent tree: \_\_\_\_\_

Picture of parent tree(s), individual leaves and trunk/bark emailed to [seedhub@reforestlondon.ca](mailto:seedhub@reforestlondon.ca)
